

Specification Sheet

| | |
|--------------------|---|
| Product Name | (4,5)-Methyl-2-mercaptobenzimidazole |
| Product Code | F-018725 |
| CAS No. | 53988-10-6 |
| Chemical Structure |  |

| No. | Item | Unit | Specification |
|-----|------------------|------|--------------------------------|
| 1 | Appearance | - | White to beige powder low dust |
| 2 | Assay | % | min 98.0 |
| 3 | Melting point | °C | max 295.0 |
| 4 | Moisture content | % | max 0.5 |
